## #TIBET MATTERS

**@ Samir Dattopadhye:**

Just before #WinterOlympics, China: Demolishes statues & monasteries in #Tibet. Appoints Peng Jingtang, #UyghurGenocide perpetrator, as army commander in #HongKong. Commits 2nd biggest air incursion in #TaiwanAirspace. CCP set to expand atrocities after Games, like in 2008

**@Stanzin Angmo:**

#China, possessing #Tibet gave access 2 rich natural resources & allowed it 2 militarize the strategically important border with India & China is trying hard to suppress Tibet, by destroying its religious & cultural identity. But Tibet 'll keep on fighting for freedom

**@DR. Emily Jane O' Dell:**

I don't know what this is about but I can tell you from the found in China that it's ready for a revolution -- I look forward to the overthrow of the CCP & dawn of democracy in China.

## DID YOU KNOW?

One of the greatest concerns of His Holiness the Dalai Lama following his exile in 1959 was the education of Tibetan children. He was acutely aware that the interests of future generations needed to be safeguarded - children are the seeds of future Tibet. In recognizing and understanding the urgency of establishing Tibetan schools, His Holiness made a direct appeal to Indian Prime Minister Nehru. His Holiness sought support for separate schools reserved solely for Tibetan children as a means of promoting Tibetan language, culture and religion and thus ultimately preserving their heritage.
